CONDITIONS OF ENTRY

The Race is open to all club and composite crews and is held under British Rowing Rules of Racing.

This is a demanding event and crews and their coxswains must be sufficiently competent to race. **Anyone whom the marshals consider to not be competent will not be allowed to race.**

All competitors must ensure that they have and are wearing adequate, warm clothing and should take these with them in the boat for the waits at the start and finish. **Competitors whom the marshals deem to be inadequately dressed will not be allowed to boat.**

Clubs must ensure that all boats entered in the race have sufficient buoyancy to ensure all crew members are adequately protected in the event of either a swamping or capsizing of the boat.

The draw will take place on Sunday, 30th October 2022 and will be published on the Doncaster Rowing Club website: <https://doncasterrowingclub.com/head-of-the-don>

A minimum of two entries from two different clubs are required to form an event. If insufficient entries are received, the entries will be placed in the next status or age group for the class of boat unless an alternative is clearly stated. Please use the comments facility on BROE2 to flag up if a change of status is a possibility. The Entries Secretary will endeavour to contact club secretaries and to resolve any difficulties. Please provide contact phone numbers for daytime and evening for this purpose.

All Entries must be paid by the date of the draw, any entries paid but not accepted into the draw will be refunded in full. Entry fees are not refundable once the draw is published. Should it be necessary to cancel the event in whole or in part, the Race Committee will consider the refund of Entry Fees minus any non-recoverable expenses. We will make every effort to ensure that any doubling-up has been catered for, but it is the competitors' responsibility to be at the start on time.

Competitors must provide their own boats and blades.

Clubs are reminded that it is their responsibility to insure their equipment.

Coxes requiring dead weights must bring their own, clearly identifiable, weights. Coxes will not be weighed before their race. However, the weight of coxes of winning crews may be checked after the race.

Racing licence presentation may be requested prior to racing, crew substitution, or prize giving.

Every effort shall be made to accommodate Adaptive entries. Please contact the Entries Secretary for specific requirements.

The Race Committee reserves the right to alter the list of entries after publication. Every reasonable effort shall be made to ensure all entries are able to race.

Entrants for Junior events should indicate if they are NOT willing to be moved to a Senior Category if there are insufficient entries in their nominated Junior event.

Prize giving will take place after all racing is finished, although any early winners may collect their prizes from Race Control before then.

Further instructions and directions will be issued to competitors separately and will be posted onto the web site. <https://doncasterrowingclub.com/head-of-the-don>
