

Idle Head 2025

Saturday 21st June
From Holmefield House,
Gibdyke, Misson,
DN10 6EL
5 miles downstream to
The Haxey Gate Inn,
Misterton, DN10 4AD (on
A161)

A long distance fun row with a pub at the end

The Idle is beautiful and unspoilt but also very narrow and winding. Eights will not be possible, and coxes/bow rowers in smaller boats will find the steering challenging. There are few opportunities for

overtaking so if a crew is overlapped by a faster boat, the leading boat must give way and allow the overtaking boat to pass safely.

Due to the width and length of the course it will not be possible to provide safety boats or rescue facilities. Participation will be limited to adults and juniors with parents' permission, who will be asked to sign a disclaimer stating that they accept this situation and participate **entirely at their own risk**. Any crew encountering another in difficulty or danger should offer assistance.
